Affiliate Membership Benefits:

Affiliates network with the agents at the Thursday morning Weekly Marketing Meeting. Affiliates introduce themselves at the beginning of the meeting, and may bring flyer promotions with company information that is helpful to the Realtor agents.

One Affiliate member is the primary member for each company, with a one time \$50.00 application fee, and the yearly rate is prorated quarterly. Each additional representative pays secondary dues of \$50.00 a year, plus a one time \$50.00 application fee, to attend the meetings.

All Affiliate members are on the Affiliate Committee, and they meet in the Association Board Room downstairs, the second Thursday morning following Affiliate introductions, about 8:45 a.m. The first Thursday of the Month the Affiliates present the Marketing Meeting program with a speaker of interest to the Realtors.

The Affiliates are involved in many of the Associations' functions, including the Community Service Foundation Auction, Scholarship Program, and the Association Picnic if it is planned.

The Affiliates are welcome to advertise in the Association Newsletters at a reduced rate, which also includes the burbankrealtors.org website. The Affiliate companies and their representatives are also published in the Affiliate Directory.

At the New Agent Orientations, the Affiliates chosen, head a roundtable and provide helpful information to assist the agents with listings and sales. At these orientations, the Affiliate Directory is given to each agent.

Hope you will join us.
